Dear Media Representative:

Thank you for your continued interest in publicizing the Lompoc Theatre Project Corporation's ongoing efforts to restore and reopen the historic Lompoc Theatre.

Included in this press kit you will find:

- 1) Five color copies of renderings provided to the Lompoc Theatre Project by Theatre Projects Consultants. I am happy to provide PDFs of these files, as well as the original multipage renderings file released in December 2014. Please credit "Theatre Projects Consultants."
- 2) Four black and white copies of historic photos of the theater. Again, please ask me for JPEG copies that I can email directly to you. Please use this **mandatory** credit:  
"Photos courtesy of the Lompoc Record via the Lompoc Valley Historical Society."
- 3) A six-page document entitled "History and Construction of the Lompoc Theatre." (Note about sources at end of document).
- 4) A five-page document entitled "Our Mission Statement: Founding Members, Board of Directors, Advisory Committee."
- 5) And finally, a document entitled "Some Milestone Dates in Lompoc Theatre's History."
